Support for SEN/disadvantaged children;

- *Use of different equipment (size, weight, shape).*
- *Adaptions to rules.*
- *Visual aids.*
- *Use of a partner (mixed ability pairings).*
- *Taught how to contribute in other ways. Learn to score, ref, evaluate others performances.*

Additional opportunities for more-able;

- *Use of personal bests by competing with themselves to achieve a better score/time/distance.*
- *Explain and evaluate own and others performances (use of ipad) in more detail using correct vocab and suggesting improvements.*
- *Challenge children to be more creative.*
- *Encourage to attend clubs both in and outside of school.*

How does PE contribute to the overall school aims? *(Children who are: Successful and Happy; Confident and Resilient; Responsible; Caring; Respectful and Tolerant and Reflective):*

Providing the children with high quality PE will help to create a lifelong habit of physical activity, which can in turn help:

- Improve Emotional Wellbeing
- Improve Behaviour
- Increase Attendance
- Raise Achievement
- The pupils will learn to be more tolerant and respectful of others through both team games and individual activities; they will also be encouraged to be reflective on their own and others' performances in order to improve.
