Taverham Junior School – Year 3 Curriculum Map – Autumn Term 2026 (2nd Half)

Year 3
Autumn 2 –
Maples, Moose and Medicines!

This curriculum map provides an overview of what your child will be learning across the curriculum this half term.

In English, we will again be looking at George's Marvellous Medicine and through it exploring our theme of 'writing to describe'. During this half term, children will be composing their own poems, describing characters and writing an advert. In comprehension, we will be reading a range of texts connected to Canada as well as some texts to get us in the Christmas mood!

As scientists, we will study light and shadow. We will learn about how we see objects will carry out some investigations to reduce/ block out light.

In design technology, we will be cooking some Canadian treats!

As geographers, we will be studying the physical and human features of Canada, and comparing them to England.

As artists, we will be looking at the work of Canadian artists and designing our own works of art.

As mathematicians, we will be learning and investigating numerous concepts including:

- Multiplying- grouping, using arrays and focusing on multiplying by 2,3, 5 and 10
- Dividing- making equal groups by sharing and grouping and focusing on dividing by 2,5 and 10

We shall also play games and participate in activities to develop our maths develop fluency.

In computing, we will be will using Google Docs to edit text including font size, colour and style to improve documents

As linguists, we will be learning Spanish vocabulary related to presenting ourselves and will be working on our speaking, listening, reading and writing skills associated with this.

As musicians, we will listening to, interpreting and appraising modern Canadian classical music.

In PE, we will be performing dances using a range of movement patterns. In Games, we will be working on our throwing and catching skills within netball.

In Life Skills, we will be focusing on relationships and communication skills.

If you have any questions regarding our curriculum, please speak to your child's class teacher
